Higher Education

BFA Bachelor of Fine Arts, Andrews University [in progress]

Recent Experience

Secondary Teacher of Graphic Design, Andrews University Design Dept.

August 2008–April 2009

Actively participated in a collaborative effort with another graphic designer by cooperatively teaching an introduction to graphic design class for high school students, offered by Andrews University. The class met ten hours a week, seven of which were entrusted to me.

Graphic Designer, Andrews University Marketing & Communication Dept.

August 2006–April 2009

Part of a team of designers, writers, and developers representing Andrews University. Responsible for production of , contribution to, and management of designed elements meeting the print and web standards of the university. Performed website & print updates on a regular basis.

Persistent Pro Bono Contributor, Andrews University

August 2004–April 2009

Throughout my years at Andrews University, many campus clubs, organizations, event coordinators, bands, and even teachers have approached with requests in the design field. I see these requests as opportunities to give. All projects done outside of work, have been free of charge.

Attribute Statement

I have extensive experience when it comes to communicating, and interacting with others. I enjoy giving and receiving fresh perspectives. I take full advantage of creative freedom, but also have respect for necessary restrictions. I maintain a positive approach.

Developed Life Skills

Leadership

My role as a leader is one whose purpose is to maintain a unified effort and a cohesive structure. I enjoy leadership, when it is synonymous to a pursuit with a positive effect.

Conflict Resolution

I am a person with the ability to perceive multiple perspectives of a situation and utilize the combined points of view to formulate fair and agreeable solutions.

Public Speaking

I can easily engage in conversation. I embrace the opportunity to speak up front about ideas in which I am well informed. I also enjoy the spur of the moment speaking situations.

Communications

Communication is the basis for evolved skills, a form of exterior thought transportation that transcends words. I am in tune with aspects necessary for effective communication.

Computers/Technology

I am very comfortable & experienced with computers. I have used them from a young age, and am confident in my ability to use them effectively. I do, however, prefer PC to MAC.

Fine Arts/Crafts

This is an area in which I have dedicated a lot of time. I have a keen eye, and a respected critique. I have the ability to envision and create. I enjoy art as a liberating form of communication.
